Safe Arrival and Dismissal

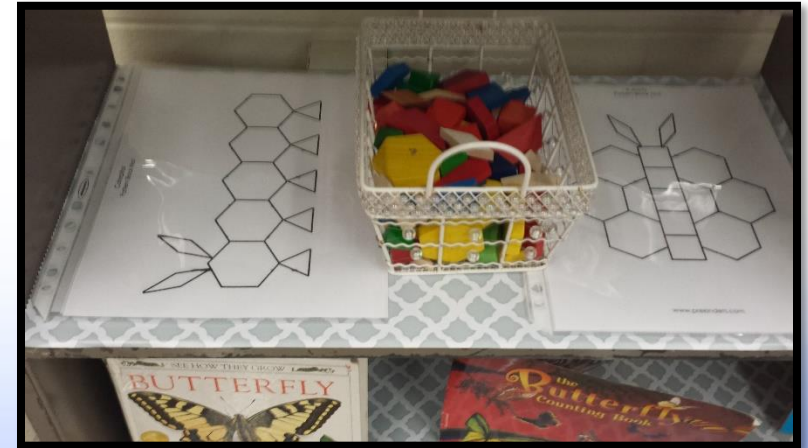

For the first week of school, the Kindergarten students line up against the school. Mr. Richter and Miss Herron's class line up on the side with the windows. Mrs. Baxter and Mrs. Paton's class line up on the other side of the door. This is the area where parents/guardians will wait after school for their child to be dismissed. After the first week, the classes can go to the fenced yard at arrival.
